One of the top tools for any traffic control and enforcement situation:

- Protect Children in School Zones
- Save Pedestrians in Cross Walks
- Control Speeding in Parking Lots
- Manage Traffic in Neighborhoods
- Slow Drivers to Protect Road Crews in Work Zones

Decatur manufactured the first law enforcement radar more than 50 years ago.

More than 500 departments use our speed trailers and signs every day.

More than 17,000 customers worldwide

That's The Decatur Difference.
